

Northwest Huntersville Transportation Study Public Meeting

December 5, 2007
Huntersville Town Hall

AGENDA

Introduction

The Town of Huntersville has requested that the Mecklenburg-Union Metropolitan Planning Organization (MUMPO) analyze proposed changes to the roadway network in the vicinity of Beatties Ford Road and NC 73. The proposed changes are the result of recommendations from the *Beatties Ford Road Small Area Plan* adopted by the Town in September 2007.

The focus of tonight's meeting will be on a proposed change to the Vance Road Extension, but input is also requested on other proposals recommended by the *Beatties Ford Road Small Area Plan*.

Meeting Purpose

- Provide the public with an introduction to the Northwest Huntersville Transportation Study
- Discuss why the study is being conducted
- Obtain the public's opinion on the transportation improvements recommended in Huntersville's *Beatties Ford Road Small Area Plan*
